November 2023

Outreach Update

Prairie View Outreach

November in Review

This month students finished up their first core course. Grade 10s completed English and grade 11s completed Sciences. Grade 10s are now working on science and the grade 11s on English.

Report cards came out in November. If you are having any issues viewing your child's report card please let us know.

Our Typical Day: Mornings we are doing our cores and in the afternoons we are working on options. We are having daily lessons in the mornings so those who are present are able to expand their understanding and are experiencing more success. We strongly encourage students to come in person as much as possible.

Why did the Skittle go to school?

Because it wanted to be a Smartie.

Why was the Math textbook so sad.

It had too many problems.

Logo Contest!!!

We are looking to make some PVO swag for student incentives and to build a sense of community. We are trying to get ideas for a school logo to get put on our gear. We need some submissions from students. Logos can be made by hand or digital. Submit your logo for a chance to win!!!

Logo Winner: \$50 Gift Card
All entries - Draw for \$25 Gift Card

Fun Times!!!

PUMPKIN CARVING AND PAINTING

Students enjoyed decorating pumpkins on Halloween. We had trouble finding regular pumpkins, but the white ones were perfect for painting!

REMEMBRANCE DAY

Two veterans join us for a remembrance day commemoration. Students wrote names on poppies of people they knew who served in the military and pinned them to our bulletin board painted by Halle Patenaude.

METIS DOT ART

Jamie Chalifoux came in and led us in Metis dot art and a sash teaching.

SKATING

We are skating for our Phys Ed this month. Students really enjoy this and look forward to it. We are so grateful to Tolko for their generous donation that helped us purchase our equipment.
